GUIDE TO CLASSES

Yoga for beginner	A tailor-make slow movement yoga session suitable for anyone who would like to enjoy practicing yoga.
Hatha yoga	A traditional form of yoga combining classical postures with breathing. A lower intensity yoga class.
Circuit workout	Circuit training is a style of workout where you cycle through several exercises (usually five to 10) targeting different muscle groups with minimal rest in between. The result is a workout that taxes your muscular strength and endurance and your cardiorespiratory system.
Core exercise	The name might be core but you'll be working your whole body. You'll use a combination of body weight exercises to challenge the core stabilizers in your shoulder, hips, and torso. You'll strengthen your core for better posture and improved performance in your daily activities.
Muay Thai	A high intensity cardio class based on Thai boxing moves. Improves fitness, flexibility and muscle tone. A great fat burner!
Little stretch	A quick 30 minutes to focus on flexibility
Lower back pain exercise	A gentle stretching class focused on the lower back and related muscle groups
Body weight exercises	Bodyweight exercises are a type of strength-training where you use your own weight to provide resistance against gravity.
TRX	'Total resistance exercise'; TRX uses your own body weight and a suspended strap with handles to improve core strength, body strength and tone, alignment and coordination.
TABATA	This workout is a form of high intensity interval designed to get your heart rate up in the anaerobic zone for short periods of time. Not only does this help build your fitness level, it helps you burn more calories both during and after your workouts.
HIIT Class	High-intensity exercise in a short period of time increase the heart rate, repeats for a specified period of time
Stretching and Fitball	A mix of cardio and stretching exercise using the Fitball to support better movement, while challenging balance and strength.
Flow yoga	Experience a series of yoga postures done in a rhythmic flow synchronized with breathing to improve muscle flexibility, strength and endurance
Vinyasa yoga	A more dynamic style of yoga. Combines flowing yoga poses with the breath for a stronger practice. Most suitable for those with experience practicing yoga.
Yin yoga	A slower paced class consisting of yoga postures to improve flexibility, focusing on long holds of 1-3 minutes
Natural Glycerin Soap	Create your own pattern glycerin-based soap bar
Ceramic Painting	Find what fascinates you by decorate your own ceramic
